There will be no handicap limit for past Champions.

Entries are limited to 90 competitors with the following criteria:

1. 65 places for Spanish Players.
2. 25 places for overseas entrants.

In both cases, will have preference to take place any player who is R&A WAG Ranked at the closing date. The order to allocate the above places will be the same as published for the R&A WAG Raking. Having applied the above places, if there were any vacancies in the two cases, these places will be covered by entrants using exact handicaps. If the number of players registered for one of two criteria (Spanish or foreign players) has not reached the maximum allowed (65 or 25), the remainder can be covered by players of the opposite criteria.

For Spanish Players, the official exact handicap to make the list of accepted players will be listed in the database of the RFEG at 09:00 am. the day after the closing date. For foreign players, the official exact handicap used for all purposes will be the handicap certified at date of entry for their National Golf Federation, Union or Association.

If, for any reason, a competitor is unable to participate, he must communicate this to either the Championship Committee at the Club or to the Amateur Technical Committee or the Royal Spanish Golf Federation before 12:00 am. of two days before the starting of the championship. Any player who fails to follow this procedure risks having his entry refused for the following year's edition.

Unsuccessful entrants will be informed immediately after the closing date and will be placed on a reserve list, by exact handicap order, and given the opportunity to compete if there are subsequent withdrawals.

Competitors must register at the tournament office or get in touch with the golf club before before the publication of the starting times for the first round. Place may be forfeited by a competitor from whom no word has been received by the above date.

Format:

Over four rounds of 18 holes stroke play scratch each day (72 holes). After the 3rd round, a cut will be established. The first 50 qualified players and ties will qualify for the 4th round.

In the event of a tie for the first place, the winner shall be decided by a sudden death play-off. The championship committee will lay down the order of the holes to play. If it is not fixed, the natural order will prevail. The runner-up trophy will be awarded to the highest playing handicap player.

For all the scratch classifications the four rounds will count. If for any reason, any representative of the scratch categories does not qualify for the 4th round, the prize for that given category will not be presented.

Note: The Championship Committee reserves the right to amend the championship conditions.
